The logo for 'SUPERSONIC Phonic Friends' is displayed on a light blue rectangular background. The word 'SUPERSONIC' is written in a large, stylized font where each letter is formed by a brown, textured vine with green leaves. Below it, the words 'Phonic Friends' are written in a smaller, dark brown, sans-serif font.

SUPERSONIC Phonic Friends

Children have phonics lessons every day for half an hour.

On Monday, Tuesday and Wednesday this is followed by reading teams that last for half an hour.

Reading books go home on Wednesdays when the previous reading books are returned. All of the reading books you receive were brand new last year so please encourage your children to look after them well and to return them to school. A new reading book will not be taken home until it is exchanged with the previous book.

Guidance

Phonics screening check: information for parents

Updated 15 September 2025

Phonics screening check

Schools must administer the phonics screening check within the 1-week period from Monday 14 June 2027.

We will hold a parent meeting during Autumn Term to give some more information about how we teach phonics at Kingsway. There will be additional information about the screening check and resources we use in school for you to use at home when supporting your child with their reading and writing.

Protective behaviours

The Right to Feel Safe: Helping children understand what feeling safe means, identifying safe versus unsafe environments, and recognizing that their safety is a priority.

Early Warning Signs (EWS): Teaching children to notice physical changes in their bodies when they feel worried, scared, or unsafe (such as a racing heart, butterflies in the tummy, or sweaty hands).

Safety Networks: Assisting children in identifying a network of 3 to 5 trusted adults (both at home and at school) whom they can talk to if they feel uncomfortable or unsafe.

Body Awareness: Introducing basic concepts of public and private body parts, reinforcing the idea that their body belongs to them.

Personal Space and Consent: Teaching children to respect the personal boundaries of others and understand how to ask for or give consent (e.g., asking before hugging or sharing space).

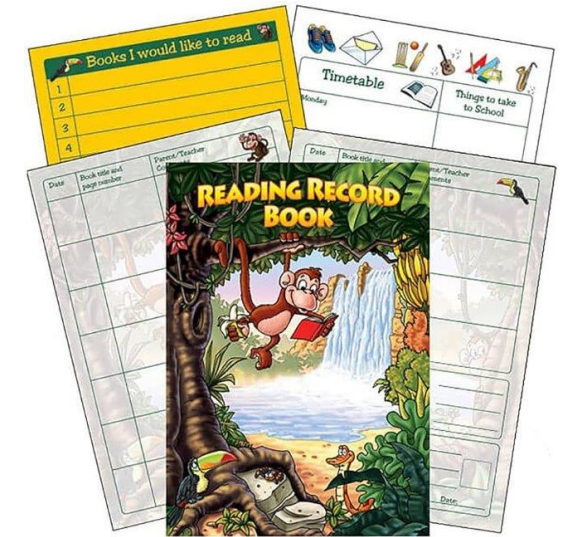

Persistence and Assertiveness: Encouraging children to practice saying "no" firmly and teaching them never to give up if they need help—keeping on asking until they are safe again.

Key dates and trips

Autumn Term	Spring Term	Summer Term
Local area walk	St John's Museum or TRIP Spring 2 Hatton Country Farm	TBC

Homework

Read at home for 10 minutes everyday
Numbots – 10 minutes everyday
Spellings
Homework will be handed out on a Friday and
Needs to be returned on a Thursday
