Protected behaviours

- *Theme 1: "We all have the right to feel safe all the time".*
- *Theme 2: "We can talk with someone about anything, even if it feels awful or small".*

You can support at home by:

- **Review the Helping Hand:** Ask your child who is on their network of five trusted people and check that they know how to contact them.
- **Validate Body Clues:** When your child is anxious or upset, help them label it (e.g., "Is your tummy feeling fluttery?") to build trust in their instincts.
- **Practice Emergency Actions:** Roleplay how to dial 999, state their address, and ask for emergency services clearly.
