Stephen Davies

True Story
One Plastic Bag
Miranda Paul

Myths and Legends
Lonely Planet Kids Myths and Legends of the World

Classic Fiction
How to Live Forever
Colin Thompson

Contemporary Fiction
The Last Bear
Hannah Gold

Protected behaviours

- ❖ We all have the right to feel safe all the time.
- ❖ We can talk with someone about anything, even if it feels awful or small.

You can support at home by:

- **Review the Helping Hand:** Ask your child who is on their network of five trusted people and check that they know how to contact them.
- **Validate Body Clues:** When your child is anxious or upset, help them label it (e.g., "Is your tummy feeling fluttery?") to build trust in their instincts.
- **Practice Emergency Actions:** Roleplay how to dial 999, state their address, and ask for emergency services clearly.

L1 - Rights and Responsibilities, Feelings
L2 - Safe and unsafe feelings
L3 - Exploring Theme 2; Secrets
L4 - Networks and using them

Homework

Times Tables Rock Stars – No expectation to complete however this will support MTC

Reading – 10 minutes a day

Spelling – list of weekly spellings ready for Thursday/Friday test

Creative homework – based on topic (once every term)

Statutory assessments

In Year 4, your children will complete the Multiplication Tables Check (MTC). The MTC is statutory and must be sat by every Year 4 child.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently up to 12, through a set of 25 timed questions. This skill is essential for future success in Mathematics, and the check will help the school identify pupils who have not yet mastered this and provide additional support.

Schools must administer the MTC during a scheduled 2-week period in June and can access the pupils' results later in June. In November, the Department for Education (DfE) also publishes the statistical release covering the national MTC attainment.

Meal menus & prices

Lunch Menu

W/C 07/09, 28/09, 19/10

Week 1
